DECLARATIONS:

NOW, THEREFORE, Declarant declares that the Property is and shall be owned, improved, transferred and occupied subject to this Declaration.

ARTICLE I

DEFINITIONS

Section 1. Definitions. When used in this Declaration, the following words shall have the following meanings:

(a) "Additional Property" shall mean and refer to those lands, together with any improvements thereon, which are made subject to this Declaration by annexation pursuant to Article II.

(b) "Architectural Review Board" or ARB shall refer to any body/board established pursuant to the provisions of, and for the purposes set forth in, Article VII of this Declaration.

(c) "Area(s) of Common Responsibility" shall mean and refer to any land or improvement located in or near the Property which is not intended to be owned by the Association but which is intended to be improved, maintained or operated by the Association in the manner and to the extent determined from time to time by the Board. Areas of Common Responsibility may be designated by this Declaration, any Supplemental Declaration, a contract entered into by the Association, or by a decision of the Board. The Areas of Common Responsibility hereby include, without limitation, the following:

(i) Rights of Way and Entrance Area. Subject to limitations imposed by governmental authority, the Association shall maintain, repair and replace to the extent determined by the Board the signs, lighting fixtures, electrical equipment, drainage improvements (in accordance with the Surface Water Management System permit issued by the District), irrigation lines and equipment, landscape materials and features, and other improvements from time to time located within the unpaved rights-of-way adjacent to or within the Property and within any entry area. Subject to limitations imposed by governmental authority, the Association shall maintain, repair and replace to the extent determined by the Board a portion of Watson Road beginning at the westerly boundary of the Community and running westerly approximately 700 feet towards Highway US 1. This portion of Watson Road is outside the boundaries of the Community and will be maintained for irrigation, landscaping, street lights, signage and sidewalks, all to the extent that those improvements are not otherwise maintained by the County.

(ii) Street Lighting. The Association may arrange for and assess the Owners for the fixture rental, electrical usage and other costs of street lighting for the Property and any Area of Common Responsibility.

The Association shall maintain, repair and replace all drainage improvements within the Property, including without limitation within all platted drainage easements, all in accordance with the Surface Water Management System permit issued by the District. The foregoing to the contrary notwithstanding, each Single Family Lot Owner shall provide routine landscape maintenance, mowing and removal of trash and debris within the portions of the Surface Water Management System lying within that Owner's Lot, failing which the Association shall perform the required maintenance and levy an individual assessment to cover the costs thereof.

Notwithstanding that this Declaration was prepared, initially, at the direction of the Declarant, and notwithstanding any rule of construction to the contrary, this Declaration shall not be more strictly construed against the Declarant and/or any of its affiliates than against any other person or entity.

ARTICLE II

PROPERTY SUBJECT TO THIS DECLARATION

Section 1. Property. The Property is and shall be improved, held, transferred and occupied subject to this Declaration.

Section 2. Additional Property. Declarant shall have the right but not the obligation to bring within the scope of this Declaration, as Additional Property, additional lands lying in the vicinity of the Property, at any time and from time to time within twenty (20) years from the date on which this Declaration is recorded. Except as provided in Article XIII, annexation may be accomplished by Declarant without the consent of the Association, the Owners, any mortgagee or other lien holder, or anyone else.

Section 3. Method of Annexation. Additions authorized under Article II shall be made, if at all, by recording a Supplemental Declaration extending this Declaration to Additional Property. The Supplemental Declaration shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Declaration for the purpose of annexing property to this Declaration and extending the jurisdiction of the Association to the Additional Property. The Supplemental Declaration may contain additional terms not inconsistent with this Declaration to reflect the different character, if any, of the real property being annexed or of the housing or development approaches being implemented. Upon the recordation of any Supplemental Declaration, the Owners shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Property, if any, within the Additional Property and an obligation to contribute to the cost of operating, maintaining and insuring the additional Common Property and any additional Areas of Common Responsibility. Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional

Property described therein shall be subject to the provisions of this Declaration and to the jurisdiction of the Association.

Section 4. Withdrawal. Declarant reserves the right to amend this Declaration unilaterally at any time for the purpose of removing any portion of the Property (including, without limitation Lots and Common Property) without notice and without the consent of any person or entity other than the owner of the portion of the Property to be withdrawn or the District; provided, however, no such withdrawal may impair access to any Lot.

ARTICLE III

THE ASSOCIATION

Section 1. The Association. The Association is a nonprofit corporation. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by this Declaration, the Articles, or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of the Property and Areas of Common Responsibility. Neither the Articles nor the Bylaws shall be amended or interpreted so as to be inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. The officers and directors of the Association shall be required to be either (1) a Member of the Association, or (2) an agent of Declarant. The Board, and such officers as the Board may appoint, shall conduct the affairs of the Association.

Section 2. Membership. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Owner shall be appurtenant to and inseparable from the Lot and Dwelling Unit giving rise to such membership, and any transfer of title to a Lot shall operate automatically to transfer to the new Owner the membership in the Association appurtenant to that Lot.

Section 3. Voting Rights. The Association shall have two (2) classes of voting membership:

(a) Class "A". Class "A" Members shall be all Owners, with the exception of Declarant for so long as Declarant retains Class "B" voting rights. Each Class "A" Member shall have one (1) vote for each Lot owned by that Member.

(b) Class "B". The sole Class "B" Member shall be Declarant. Declarant shall be entitled to three (3) votes for each Lot in the Property owned by Declarant, plus three (3) votes for each potential subdivision lot that has not yet been annexed but which could be developed upon the lands eligible for annexation to the Property under the terms of the Declaration. Upon the execution of this Declaration, Declarant shall have two hundred fifty two (252) Class "B" votes representing three (3) votes for each of the eighty four (84) Lots in the Phase 1 Property plus three (3) votes for each of the three hundred sixty six (366) potential residential subdivision lots not yet included in the Property but which could be developed upon the lands described on Exhibit "D" and annexed to the Property. In all, Declarant expects but shall not be required to develop and submit a total of four hundred fifty (450) residential lots to this Declaration and to the jurisdiction of the Association. In the event Declarant elects at any time or from time to time, for any reason whatsoever, not to develop and annex any one or more of the three hundred sixty six (366) potential subdivision lots not included in the Property, then Declarant will give written notice to the Association of that election and Declarant's Class "B" votes shall be reduced by three (3) votes for each one of the potential residential subdivision lots so excluded from

eligibility for annexation by Declarant. The Class "B" Member shall be entitled to cast all of its votes in any vote or election held by the Association.

(c) Termination of Class "B" Membership. As each Lot in the Property is conveyed by Declarant to a Class "A" Member, Declarant's votes for that Lot shall lapse. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of the following:

(i) When the total outstanding Class "A" votes in the Association equals or exceeds the total outstanding Class "B" votes; or

(ii) ~~ten (10) years from the date of recording of this Declaration;~~ or

(ii) replaced by amendment #3

(iii) At such earlier time as Declarant, in its sole discretion, may so elect.

Upon the happening of any one of these events, Declarant shall call a special meeting of the Members to advise of the termination of Class "B" membership.

(d) Transition of Control. Any other provision of this Article III to the contrary notwithstanding, Owners other than Declarant shall be entitled to elect at least a majority of the members of the Board of Directors not later than three (3) months after ninety percent (90%) of the Lots in all phases of Villages of Valencia that will or may ultimately be operated by the Association have been conveyed to Owners. Declarant shall be entitled to elect at least one member of the Board of Directors as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots in all phases of the Community. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant-owned voting interests in the same manner as any other Owner, except for purposes of reacquiring control of the Association or selecting the majority of the members of the Board of Directors.

Section 4. Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. If joint or multiple Owners are unable to agree among themselves as to how their vote is to be cast, or if more than one (1) Class "A" vote is cast for any Lot, none of the votes for that Lot shall be counted. If any Owner casts a vote on behalf of a Lot, it shall be conclusively presumed that Owner was acting with the authority and consent of all other Owners of that Lot.

ARTICLE IV

COMMON STRUCTURAL ELEMENTS

Section 1. Definition. Each Multi Unit Building contains or shall contain certain elements, features or parts which are structural elements of the Multi Unit Building or of more than one Dwelling Unit (such elements, features, or parts being hereinafter referred to as "Common Structural Elements"). The Common Structural Elements of each Multi Unit Building shall include, but are not necessarily limited to, the following:

(a) Party Walls. All division walls between two townhomes or two duplex units beginning at the unfinished surface of each side of such wall (hereinafter referred to as "Party Walls") located upon a Property Line between two townhomes or two duplexes, provided that the mere fact such a division wall between two townhomes or two duplexes is found not to be on a Property Line shall not preclude such division wall from being a Party Wall.

(b) Roofing. The entire roof of the Multi Unit Building, any and all roof support structures, and any and all appurtenances to such roof and roof support structures, including, without limitation, the roof covering, roof trim and roof drainage fixtures, all of which are collectively referred to herein as the "Roofing." Should the Roofing or any part thereof extend beyond the Lot boundaries, same shall not be deemed to violate the provisions of this Declaration and such easements as may be necessary to accommodate and permit the Roofing as same shall be constructed or hereby imposed.

(c) Foundation. The entire concrete floor slab (or other floor system if used in lieu thereof) and all foundational and support structures and appurtenances thereto, all of which are collectively referred to as the "Foundation" of the Multi Unit Building. Should the Foundation or part thereof extend beyond the Lot boundaries, same shall not be deemed to violate the provisions of this Declaration and such easements as may be necessary to accommodate and permit the Foundation as same shall be constructed or thereby imposed.

Section 2. General. Each Owner shall own that portion of the Party Wall which stands on his own Lot. To the extent not inconsistent with the provisions of this Article, the general rule of law regarding Common Structural Elements and liability for property damage due to negligence or willful acts or omissions shall apply to each Common Structural Element (or party fence, if applicable) which is built by Declarant and/or Builder as part of the original construction of the Dwelling Units or is an Initial Improvement upon the Lots and any replacement thereof.

If any portion of any Initial Improvement or structure, as originally constructed by Declarant, Builder, or its designee, including any Party Wall, Roofing, or fence, shall protrude over two adjoining Lots, it shall be deemed that said Owners have granted perpetual easements to the adjoining Owner or Owners for continuing maintenance and use of the projection, Party Wall, Roofing, or fence. The foregoing shall also apply to any replacements of any structures, Party Walls, Roofing or fences, if same are constructed in conformance with the original structure, party wall or fence. The foregoing conditions shall be perpetual in duration and shall not be subject to amendment of these covenants and restrictions.

Section 3. Regular Maintenance, Repair and Replacement The Association shall be responsible for regular repair and maintenance of those particular Common Structural Elements that also constitute Exterior Multi Unit Building Surfaces, including maintenance for normal wear and tear, and replacement at the end of the useful life thereof, as more particularly set forth in Article IX, herein. The costs of reasonable regular repair, maintenance and replacement of such Exterior Multi Unit Building Surfaces shall be paid for from Association reserves for which the Association shall budget and collect as part of the Annual Assessments, as set forth in this Declaration. Such maintenance and repair shall be performed by the Association pursuant to Article IX below. Notwithstanding anything herein to the contrary, the Association shall not be responsible for reconstruction, repair or maintenance of Exterior Multi Unit Building Surfaces or Common Structural Elements, damaged by fire, storm or other casualty or for the reconstruction, repair or maintenance of which is otherwise covered by an Owner's homeowner's insurance policy or other insurance covering the Dwelling Unit. However, each Owner shall be responsible to install and maintain all interior surface coverings (e.g., paint, wallpaper, carpeting, tile, ceiling surfaces) as to any Common Structural Element within the Owner's Dwelling Unit, as more particularly set forth in Article X, herein.

Section 4. Destruction by Fire or Other Casualty. In the event of damage or destruction of Exterior Multi Unit Building Surfaces or Common Structural Elements from any cause whatsoever, the Association shall, repair or rebuild such Exterior Multi Unit Building Surfaces or Common Structural Elements in accordance with the requirements of Article XVII of this Declaration, and each Owner in that Multi Unit Building, his successors and assigns, shall have the right to full use as herein contained of said

Common Structural Elements so repaired or rebuilt. Each Owner within that Multi Unit Building shall pay the full cost of such repair or reconstruction, which payment shall include (but shall not be limited to) any and all insurance proceeds due and payable pursuant to the Owner's property insurance policy, as required herein, and all applicable deductibles. To assure adequate and timely repair and reconstruction, all monies required hereby to be paid by Owner shall be paid to the Association and administered as set forth in Article VI. If damage or destruction is a result of one Owner's negligence or willful misconduct, that party shall be responsible for the total repair and replacement in a timely fashion. If any Owner fails to pay his share of repair or replacement, as aforesaid, then the Association may have such Common Structural Elements repaired or reconstructed and shall be entitled to file in the Public Records of the County, a claim of lien on the premises of the Owner failing to pay for the amount of such defaulting Owner's share of the repair or replacement costs, plus interest and collection expenses. The Association shall have the right to foreclose said claim of lien in accordance with the same procedural requirements as now provided for in Florida Statutes for foreclosure of a mechanic's lien; provided, however, such claim of lien shall be filed within ninety (90) days from the date repairs or replacements were made to the Common Structural Elements, and suit thereon shall be commenced one (1) year from the date such lien is filed.

Section 5. Easement for Repairs. If repairs or reconstruction to the Common Structural Elements shall be necessary, all necessary entries on or into the adjacent Dwelling Unit upon the Adjacent Lot shall not be deemed a trespass so long as the repairs and reconstruction shall be done in a timely and workmanlike manner, and, in the event entry on a Dwelling Unit is required, reasonable notice is provided to the Owner. Subject to the foregoing, consent is hereby given to enter on or into adjacent Dwelling Units to effect necessary repairs and reconstruction.

Section 6. Right to Contribution Runs with Land. The right of any Owner to contribution from any other Owner under this Article shall be appurtenant to the land and shall pass to such Owner's successors in title.

Section 7. Weather Proofing. Notwithstanding other provisions of this Article, an Owner who by his negligent or willful act causes a Party Wall to be exposed to the elements, shall bear the whole cost of furnishing the necessary repair and protection against such elements.

Section 8. Arbitration. In the event of any dispute arising concerning Common Structural Elements, or under the provisions of this Article, each party shall choose one arbiter, and such arbiters shall choose one additional arbiter, and the decision of a majority of all of the arbiters shall be final and conclusive of the questions involved.

Section 9. Alterations. The Owner of a Dwelling Unit sharing a Party Wall with an adjoining Dwelling Unit shall not cut windows or other openings in the Party Wall, nor make any alterations, additions or structural changes in the Party Wall.

Section 10. Structural Cross Easements. Cross easements of support and use over, upon, across, under, through and into the Common Structural Elements shall exist in favor of the Association, the Owners or their designees for the continued use, benefit and enjoyment and continued support, maintenance, repair and design of all Dwelling Units and Common Structural Elements within any of the Multi Unit Buildings.

ARCHITECTURAL CONTROL

Section 1. Purpose. The Association, through the ARB, shall have the right to exercise architectural control over all Improvements constructed, erected, or placed upon any part of the Property, to assist in making the Property a community of high standards and aesthetic beauty. The Association shall also exercise control over landscaping improvements in order to maintain a common landscaping scheme. Such architectural control may include all architectural aspects of any such Improvement, including, without limitation, size, height, site planning, setbacks, exterior, materials, colors, open space, landscaping, and aesthetic criteria; provided however, that any ARB approval shall not be deemed a statement, representation or indication that such Improvement complies with any applicable law, regulation, or ordinance. The purpose of this review procedure is solely to promote the aesthetic development of the Property to assure that the Architectural Guidelines, as established from time to time, are complied with. This review is not intended to be a condition to the issuance of a building permit by

the Local Government and the review undertaken by the Declarant or the ARB is not to be construed as any quasi governmental action. The Declarant shall have the sole right to approve the Initial Improvements on the Property and the rights granted to the ARB hereunder shall only be in effect after the Dwelling Unit has been completed.

Section 2. Membership of ARB. So long as Declarant or its designee owns any Lots subject to this Declaration, Declarant shall be entitled to appoint all members of the ARB. Thereafter, the membership of the ARB shall be determined by the Board, the ARB shall consist of no less than three (3) members, none of whom shall be required to be Owners or occupants of the Property. No member of the ARB shall be entitled to compensation for services performed, but the ARB may employ professional advisors and pay reasonable compensation to such advisors at Common Expense. Members of the ARB (other than those appointed or designated by the Declarant) may be removed by the Board of Directors at any time without cause. Members of the ARB appointed or designated by the Declarant may only be removed by the Declarant.

Section 3. Architectural Guidelines. The ARB or Declarant, as applicable, shall adopt, and revise from time to time, reasonable rules of procedure and standards for the submission and review of any matter to be brought before it and the inspection and final approval of any completed work done pursuant to any approval of the ARB (the "Architectural Guidelines"). Such rules shall be (i) subject to the prior approval of the Board of Directors, (ii) consistent with the covenants and restrictions set forth in this Declaration, and (iii) published or otherwise made available to all Owners and their contractors, subcontractors and other appropriate designees. All rules of the ARB shall be adopted and/or amended by a majority vote thereof.

Section 4. Application/Approvals.

(a) Applications. It is the responsibility of each Owner applying for approval to supply two (2) sets of specifications, plans, or other pertinent information regarding the proposed modification or alterations for which such Owner requests ARB approval.

(b) Approvals. Decisions of the ARB shall be by majority action and shall be approved or disapproved within thirty (30) days after receipt by the ARB. The ARB approval or disapproval shall be written and shall be accompanied by one (1) copy of the plans, etc., to be returned to the Owner. Whenever the ARB disapproves plans, the ARB shall specify the reason or reasons for such disapproval. Approval shall be granted or denied by the ARB based upon compliance with the provisions of this Declaration and any Architectural Guidelines established pursuant thereto, the quality of workmanship and materials, the harmony of external design with its surroundings, the effect of the construction on the appearance from surrounding Lots, and all other factors, guidelines and standards promulgated from time to time, including purely aesthetic considerations, which, in the sole opinion of the ARB, will affect the desirability or suitability of the construction.

Section 5. Violations. All approved work must be performed strictly in accordance with the plans as approved. If after plans have been approved, the improvements are altered, erected, or maintained upon the Lot other than as approved, same shall be deemed to have been taken without ARB approval. After one (1) year from completion of any improvement, addition or alteration, said improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARB shall appear in the public records of the County, or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with these provisions.

Section 6. Variances. The ARB or Declarant, as applicable, may authorize a variance from compliance with the Architectural Guidelines or any of the architectural provisions of this Declaration

when circumstances such as topography, natural obstructions, hardships, or aesthetic or environmental considerations may reasonably require. The granting of any variance shall not operate to waive any of the terms and provisions of this Declaration for any purpose except as to the particular Lot and the particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with governmental requirements. Such variances may only be granted when unique circumstances dictate and no variance shall (i) be effective unless in writing, (ii) be contrary to the restrictions set forth in this Declaration, or (iii) estop the ARB from denying a variance in other circumstances.

Section 7. Waiver of Liability. None of Declarant, Builder, the ARB, the Directors or the Association, or any agent or employee thereof shall be liable to anyone submitting plans for approval or to any Owner, occupant or guest of the Property by reason of or in connection with approval or disapproval of any plans, or for any defect in any plans submitted, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans. Approval of plans, or any other approvals, variances or consents, are given solely to protect the aesthetics of the Property in the judgment of the ARB and shall not be deemed a warrant, representations or covenant that any action taken be in reliance thereon complies with applicable laws, codes, rules or regulations, nor shall ARB approval be deemed approval of any plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits plans for approval agrees, by submission of such plans, and every Owner or occupant of any Lot agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages and shall be deemed to have automatically agreed to hold harmless and indemnify the aforesaid parties from and for any loss, claim or damages connected with the aforesaid aspects of the improvements or alterations.

Section 8. Enforcement. Declarant and the Association shall have standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Architectural Guidelines and the decisions of the ARB. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice. Declarant and the Association shall have the right but not the obligation to enter upon the Owner's property, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Architectural Guidelines, and charge the cost thereof to the Owner as an individual assessment. Declarant and the Association, or their agents or employees, shall not be liable to the Owner or to any occupant or invitee of any Lot for any trespass or damages or injury to property or person for any action taken hereunder unless accused by gross negligence or intentional wrongdoing.

Section 9. No Waiver of Future Approvals. The approval of the ARB of any proposals or plans and specifications or drawings for any work done or proposed, or in connection with any other matter requiring the approval and consent of the ARB, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matters subsequently or additionally submitted for approval or consent.

Section 10. Change in Multi Unit Buildings. Neither the Association nor any Owner shall make or permit any structural modification or alteration of any Common Structural Elements of any Multi Unit Building except with the prior written consent of the ARB, or its successor, and all Institutional Mortgagees holding a mortgage on a Dwelling Unit within said Multi Unit Building. Notwithstanding the foregoing, maintenance and/or repair of such structures in a manner consistent with the Initial Improvements shall not require the foregoing consents. Consent may be withheld if, in the sole discretion of the party requested to give the same, it appears that such structure modification or alteration would

affect or in any manner endanger other Dwelling Units. No Multi Unit Building shall be demolished or removed without the prior written consent of all Owners of all other Dwelling Units within such Multi Unit Building and of all Institutional Mortgagees holding a mortgage on a Dwelling Unit within said Multi Unit Building, and also the prior written consent of Declarant or its successors. Declarant shall have the right, but shall not be obligated, to assign all of its rights and privileges under this Article to the Association.

(a) Declarant, for each Lot owned by it in the Property, and each Owner other than Declarant by acceptance of title to any Lot, whether or not it shall be so expressed in any deed or other conveyance, covenants and agrees to pay to the Association: (1) Lot Only Assessments, Multi Unit Building Assessments, Town Home Landscape Assessments and other annual assessments or charges, (2) special assessments, (3) individual assessments, and (4) a one-time only start-up assessment as set forth in this Declaration. Said assessments shall be fixed, established and assessed as herein provided. Assessments, together with such interest and late charges as shall be imposed by the Board at its discretion, and the cost of collection thereof, including without limitation court costs and reasonable attorneys' and paralegals' fees before trial, at trial and on appeal, shall be a charge and a continuing lien upon the Lot against which such assessment is made, and upon any Dwelling Unit located on said Lot, from and after the date on which such assessment is due. Each assessment, together with said interest, late charges, costs and fees, shall also be the personal obligation of each person who was an Owner of the Lot at the time the assessment fell due. [Amendment #2 added \(5\) discussing builder fees](#)

If any assessment or installment thereon is not paid when due, then such assessment shall be delinquent and the delinquent assessment, together with interest, late charges, and collection costs, shall be secured by a continuing lien on the Lot as to which the assessment accrued, and upon any Dwelling Unit located thereon. Such lien shall be prior to all other liens hereinafter created except taxes or assessments levied by governmental authority, and except as to the lien of any mortgage. The lien shall be prior to and superior in dignity to homestead status. The lien shall bind the Lot and any Dwelling Unit located thereon in the hands of the then Owner and of each subsequent Owner. The personal obligation of the Owner to pay such delinquent assessment shall remain that Owner's personal obligation for the statutory limitations period and personal liability shall not pass to successors in title unless expressly assumed by them.

If the delinquent assessment or installment thereon is not paid within thirty (30) days after the due date, same shall bear interest from the date due at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action for collection against the Owner personally obligated to pay the same and to foreclose the lien against the Lot and any Dwelling Unit located thereon by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment the aforesaid interest, late charges, collection costs and attorneys' and paralegals' fees, and fees and collection costs shall be recoverable whether or not suit be brought. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale and to own sell, lease, encumber, use and otherwise deal with the Lot and any Dwelling thereon as owner thereof.

(b) Exempt Property. The following property shall be exempt from the assessments, charges and liens created herein: (1) Common Property; (2) lands owned by Declarant

[Amendment 5 exemoted developer from fees when selling to a builder](#)

which have not been annexed to the Property by this Declaration or any Supplemental Declaration; (3) lands dedicated to the Local Government or other governmental authority, any utility company or the public; and (4) Lots owned by Declarant during the period of time that Declarant subsidizes the Common Expenses of the Association pursuant to Section 8 of this Article. No other land or improvements in the Property shall be exempt from these assessments, charges or liens. No Owner may avoid assessment obligations by virtue of non-use or abandonment of the Common Property.

Section 2. Purpose. The assessments levied by the Association shall be used to promote the recreation, health, safety and welfare of the Owners, to perform the Association's duties and to exercise the powers conferred on it, to improve, operate, insure and maintain the Common Property and the Areas of Common Responsibility, and to pursue any other purpose deemed desirable or appropriate by the Board, including without limitation any one or more of the following: (a) payment of Association operating expenses; (b) lighting, irrigation, maintenance, improvement and beautification of streets and easement areas, and acquisition, maintenance, repair and replacement of community identification signs and traffic control devices, and control and regulation of traffic in the Property; (c) payment, contest or compromise of real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Property; (d) operation, management, insurance, replacement, maintenance, repair, beautification and improvement of the Common Property, Areas of Common Responsibility, and easement areas benefiting the Association; (e) repayment of any deficits previously incurred by the Association; (f) funding of reserves for future Common Expenses and Areas of Common Responsibility, (g) procurement and maintenance of insurance, (h) employment of accountants, attorneys and other professionals to represent or advise the Association; (i) operation, maintenance and repair of the Surface Water Management System for the Property in accordance with the terms of this Declaration and the requirements of the District; (j) monitoring of protected wetlands as required by the District; and (k) doing anything necessary or desirable in the judgment of the Board to keep the Property neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners.

Section 3. Determination of Annual Assessments.

(a) **Operating Budget.** At least thirty (30) days prior to the end of the Association's fiscal year, the Board shall prepare a budget of the estimated costs of operating the Association during the coming year, including but not limited to operational items such as overhead and indirect costs, insurance, utilities, taxes, professional fees, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years, and capital improvement budget items approved by the Board under Subsection (b), below. The budget shall set forth items to be funded by Lot Only Assessments, items to be funded by Multi Unit Building Assessments and items to be funded by Town Home Landscape Assessments in a manner consistent with this Declaration.

(b) **Capital Budget.** Each year, the Board shall approve a capital budget taking into account the number, type, useful life and expected replacement cost of replaceable assets. The Board shall then set the required annual capital contribution in an amount sufficient to meet the projected capital needs of the Association on a timely basis and to establish and maintain adequate reserves for such expenditures. The annual capital contribution fixed by the Board shall then be included in the annual operating budget and annual assessments described in Subsection (a), above. The capital budget shall be allocated between Lot Only Assessments, Multi Unit Building Assessments and Town Home Landscape Assessments in a manner consistent with this Declaration.

(c) **Adoption of Operating Budget.** The Association shall mail to each Member a copy of the capital budget, operating budget and projected annual assessments approved by the Board to be levied for the next fiscal year at least thirty (30) days prior to the end of the Association's current fiscal year. The operating budget and annual assessments shall become effective unless

disapproved at a special meeting of the Members held not later than sixty (60) days after the proposed budget and assessments are mailed to the Members. To be effective, the disapproval must be by a vote of two-thirds (2/3) of the membership of the Association, without regard to class. If the membership so disapproves the operating budget for the succeeding year, or if the Board fails to propose a budget, then the budget and annual assessments for the preceding year shall continue in effect until a new budget is determined.

(d) Allocation of Annual Assessments Among All Lots. The portion of the operating budget of the Association allocated to all Lots in common as Lot Only Assessments shall be assessed against all Owners and Lots in the Property in an equal amount per Lot.

(e) Allocation of Annual Assessments Among Multi Unit Building Owners. The portion of the operating budget of the Association allocated to Multi Unit Building Assessments for all the Town Home Dwelling Units and the Duplex Dwelling Units in common shall be assessed against all Town Home Lot Owners and the Duplex Lot Owners in the Property in an equal amount per Lot.

(f) Allocation of Annual Town Home Landscape Assessments Among Town Home Lot Owners. The portion of the operating budget of the Association allocated to landscape maintenance for all the Town Home Lots in common shall be assessed against all Town Home Lot Owners in the Property in an equal amount per Lot.

Section 4. Special Assessments.

(a) Special Assessments. In addition to annual assessments, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, repair or replacement of any improvement on the Common Property or Areas of Common Responsibility, or on any easement benefiting the Association, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Members of each class who are in attendance and voting in person or by proxy at a meeting duly called for said purpose.

(b) Individual Assessment. The Board may levy an individual assessment against any Owner and that Owner's Lot and any Dwelling Unit located thereon in order to cover costs incurred by the Association due to that Owner's failure to maintain its Lot or Dwelling Unit pursuant to the standards set forth in this Declaration, or to reimburse the Association for loss or damage to the Association or to any Common Property, Area of Common Responsibility or easement area caused by that Owner or his lessee, agent, contractor or guest, and not covered by insurance, or for any other purpose expressly permitted by this Declaration.

(c) Multi Unit Building Special Assessments. In addition to annual Multi Unit Building Assessments, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, repair or replacement of any improvement on the Multi Unit Buildings, for the purpose of covering any budget deficits of the Multi Unit Building Assessments, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Town Home Lot Owners and the Duplex Unit Lot Owners who are in attendance and voting in person or by proxy at a meeting duly called for said purpose.

(d) Town Home Landscape Special Assessments. In addition to annual Town Home Landscape Assessments, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, repair or replacement of any landscape improvements

on Town Home Lots, for the purpose of covering any budget deficits of the Town Home Landscape Assessments, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the votes of the Town Home Lot Owners who are in attendance and voting in person or by proxy at a meeting duly called for said purpose.

Section 5. Commencement Dates; Types of Assessments; Start-Up Assessment; Initial Annual Assessment; Due Dates. At the closing of the sale of each Lot in the Property (Single Family Lot, Town Home Lot and Duplex Lot) by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association certain one time start-up assessments (as more particularly described below) based on the budget of the Association for the year of closing.

Types of Assessments. The annual assessment for each Single Family Lot shall be the Lot Only Assessment (the "Single Family Lot Assessment"). The annual assessment for each Town Home Lot shall be the Lot Only Assessment plus the Multi Unit Building Assessment plus the Town Home Landscape Assessment (the "Town Home Lot Assessment"). The annual assessment for each Duplex Lot shall be the Lot Only Assessment plus the Multi Unit Building Assessment (the "Duplex Lot Assessment").

Single Family Lot Assessment at Closing. At the closing of the sale of each Single Family Lot in the Property by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association: (i) a one time start-up Single Family Lot Assessment in an amount equal to one quarter (1/4) of the then annual Single Family Lot Assessment; and (ii) the entire then annual Single Family Lot Assessment for the calendar year of closing, prorated on a per diem basis from the date of closing through the end of that calendar year.

Tome Home Lot Assessment at Closing. At the closing of the sale of each Town Home Lot in the Property by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association: (i) a one time start-up Town Home Lot Assessment in an amount equal to one quarter (1/4) of the then annual Town Home Lot Assessment; and (ii) the entire then annual Town Home Lot Assessment for the calendar year of closing, prorated on a per diem basis from the date of closing through the end of that calendar year.

Duplex Lot Assessment at Closing. At the closing of the sale of each Duplex Lot in the Property by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association: (i) a one time start-up Duplex Lot Assessment in an amount equal to one quarter (1/4) of the then annual Duplex Lot Assessment; and (ii) the entire then annual Duplex Lot Assessment for the calendar year of closing, prorated on a per diem basis from the date of closing through the end of that calendar year.

After a Lot closing, the various annual assessments shall be due, in advance, on or before the commencement of the Association fiscal year for which imposed; but the Board may elect to collect annual assessments in monthly, quarterly or semi-annual installments. In the event of such deferred payments, the Board may but shall not be required to charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any annual assessment upon default in the payment of any installment thereon. Annual assessments which commence to accrue as to any Lot other than on the first day of the year shall be prorated for the balance of that year. After the one time start-up assessment has been paid as to a Lot in the Property, subsequent purchasers of said Lot shall not be required to pay said start-up assessment.

The annual assessment for each Additional Property shall commence upon the closing of the first sale by Declarant on any Lot in the Additional Property. The initial annual assessment for the Lots in each Additional Property shall be the same as the then current annual assessment

Section 6. Certificate. Upon request, the Association shall furnish to any Owner a certificate setting forth whether required assessments have been paid. Such certificate shall be conclusive evidence in favor of third parties relying thereon of the payment of any assessment therein stated to have been paid.

Section 7. Subordination. The assessment lien shall be subordinate to the lien of any mortgage. Any mortgagee which obtains title to a Lot by foreclosure of a mortgage, or by voluntary conveyance in lieu of such foreclosure, shall not be liable for the uncollected assessments or interest, late charges or collection costs pertaining to such Lot or chargeable to the former Owner thereof which became due prior to the acquisition of title by said mortgagee. Such unpaid amounts shall be deemed a Common Expense collectible from all Owners, including the acquiring mortgagee, on a pro-rata basis. Any such transfer to or by a mortgagee shall not relieve the transferee of responsibility nor the Lot from the lien for assessments thereafter falling due.

Section 8. Funding by Declarant. Notwithstanding anything contained in this Declaration to the contrary, Declarant shall not be obligated to pay any annual or special assessment as to any Lot owned by it during any period of time that Declarant pays the Common Expense actually incurred over and above the income derived from annual, special and individual assessments collectible from the Class "A" Members. For purposes of this subsidy arrangement, Declarant need not subsidize or pay replacement reserves or capital expenditures. Declarant, at its option, may elect by written notice delivered to the Association at any time to abandon the subsidy approach and commence payment of the assessments thereafter falling due for the Lots then owned by Declarant, prorated as of the date of such notice. Declarant shall never be obligated to pay any individual assessment.

The Association shall have the authority to promulgate further rules and regulations defining what constitutes a single family not inconsistent with this Section. No Lot or dwelling may be subdivided and no person may rent or lease less than the whole Lot or dwelling. Any use of a Lot that is permitted by applicable zoning requirements shall not constitute a violation of this Section.

In the event any tenant or other person using the Lot or the Common Areas as the guest or invitee of the Lot Owner or the tenant shall violate any of such restrictions, rules or regulations, and such violation shall continue for a period of seven (7) days after written notice from the Association to the Lot Owner, and the tenant, the Association shall be permitted to demand the immediate removal of the tenant from the Lot, and may thereafter proceed with legal action against the Lot Owner and the tenant for eviction of the tenant from the Lot.

Section 21. Owner's Responsibility for Acts of Others. The Lot Owner shall be responsible to the Association for the acts and omissions, whether negligent or willful, of any persons using the Lot or the Common Areas, whether that person is the tenant of the Lot Owner or is the guest or invitee of the Lot Owner or any tenant of the Lot Owner. The Lot Owner shall indemnify and hold the Association harmless from and against any damage, injury, judgment, expense, liability or cause of action of any kind, or any claim or demand therefore, resulting from the act or omission, whether negligent or willful, or any such person, to the extent that such damage or injury, or claim or demand therefore, shall exceed proceeds of insurance policies actually received by the Association.

Section 22. Collection. Within these easements no structure, planting or other material may be placed or permitted to remain that will interfere with vehicular traffic or prevent maintenance of utilities located therein. Public utility companies servicing the Property and the Association, and their successors and assigns, shall have a perpetual easement for the installation and maintenance of water lines, sprinkler lines, sanitary sewers, storm drains, gas lines, electric and telephone lines, cables and conduits, including television cables and conduits and such other installations as may be required or necessary to provide maintenance and utility services to the Lots and/or the Common Areas under and through the utility easements as shown on the plat(s). Any damage caused to pavement, driveways, drainage structures, sidewalks, other structures, or landscaping in the installation and maintenance of such utilities shall be promptly restored and repaired by the utility whose installation or maintenance caused the damage. All utilities within the Property, whether in streets, rights-of-way or utility easements, shall be installed and maintained underground, provided, however, that water and sewer treatment facilities and control panels for utilities may be installed and maintained above ground. To the extent that any structure, planting or other material has been placed, installed or constructed within any such easement area that does interfere with vehicular traffic or prevents the maintenance of utilities located therein, the Lot Owner shall be obligated to remove, at his own cost, such structure, planting or other material from the easement area upon the request of the utility company seeking to gain access or perform maintenance, the Declarant or the Association. In the event the Lot Owner shall not timely remove such structure, planting or other material from the easement area, and such failure shall continue for a period of ten (10) days after notice from the Declarant or the Association, the Declarant or the Association may, but shall not be required to, enter onto the Lot and remove such obstructing structure, planting or other material. The Lot Owner shall indemnify the Declarant and the Association for the reasonable cost of such removal.

Without limiting the generality of the foregoing, except only when the express provisions of this Declaration prohibit the Declarant from taking a particular action, nothing in this Declaration shall be understood or construed to prevent or prohibit Declarant from any of the following:

- (a) Doing on any property owned by it whatever it determines to be necessary or advisable in connection with the completion of the development of the Property, including without limitation, the alteration of its construction plans and designs as Declarant deems advisable in the course of development (all models or sketches showing plans for future development of the Property, as same may be expanded, may be modified by the Declarant at any time and from time to time, without notice); or

- (e) Maintaining such sign or signs on any property owned or controlled by Declarant as may be necessary or desired in connection with the operation of any Lots owned by Declarant or the sale, lease, marketing or operation of Lots; or
- (f) Filing Supplemental Declarations which modify or amend this Declaration, which add or withdraw Additional Property as provided in this Declaration, or otherwise limit or impair the Declarant from effecting any action which may be required of Declarant by the City of Jacksonville or any other federal, state or local governmental or quasi-governmental agency in connection with the development and continuing operation of the Property; or
- (g) Modifying, changing, re-configuring, removing or otherwise altering any improvements located on the Common Property or utilizing all or portions of the Common Property for construction access or staging (provided that same does not impair existing access or utility services to the Lots); or
- (h) Causing utilities to be available to all portions of the Property, including, but not limited, to the granting of easements and rights of way as may be necessary to locate, install and maintain facilities and connections.

Section 26. Conservation Tracts. In addition, any amendment to this Declaration of Covenants, Conditions and Restrictions which alters the Surface Water Management System beyond maintenance in its original condition, including the surface water management portions of the Common Property, must have the prior approval of the District. This Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by Declarant, the Association and any Owner, and their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded in the public records, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the commencement of any 10-year extension period an instrument signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is recorded in the Public Records of St. Johns County.

ARTICLE XVI

ENFORCEMENT

Section 1. Compliance by Owners. Every Owner and all guests, tenants and invitees of any Member, shall comply with the restrictions and covenants set forth herein and any and all rules and regulations which from time to time may be adopted by the Board of Directors of the Association.

Section 2. Enforcement. Failure of an Owner or that Owner's tenants, licensees, invitees and guests to comply with such restrictions, covenants or rules and regulations shall be grounds for immediate action which may include, without limitation, an action to recover sums due for damages, injunctive relief, or any combination thereof. The Association shall have the right to suspend the rights of use of the Common Property (except for legal access and utilities) of defaulting Owners. The offending Owner shall be responsible for all costs of enforcement including attorneys' fees actually incurred and court costs. If any person shall violate or attempt to violate this Declaration, it shall be lawful for Declarant, any Owner, or the Association: (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate this Declaration; (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate this Declaration, for the purpose of preventing or enjoining all or any such violations or attempted violations; or (c) to maintain a proceeding for any other equitable or legal recourse or remedy available at law or in equity. In addition, whenever there shall have been built or there shall exist on any Lot any structure, thing or condition

which violates this Declaration, Declarant or the Association (but not any Owner) shall have the right, but not the obligation, to enter upon the Lot where such violation exists and summarily to abate and remove the same, all at the expense of the Owner of such Lot, which expense shall constitute an individual assessment to be treated and collected as set forth in Article VIII, and such entry and abatement or removal shall not be deemed a trespass or make Declarant or Association, or the agents or employees of either, liable for any damages on account thereof. The remedies contained in this provision shall be cumulative of all other remedies now or hereafter provided by law or this Declaration. The failure of Declarant, the Association, or an Owner to enforce any covenant, restriction, obligation, right, power, privilege or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

The District shall also have the right to enforce, by a proceeding at law or in equity, the provisions of this Declaration which relate to maintenance, operation and repair of the Surface Water Management System.

Section 3. Fines. In addition to all other remedies, and to the maximum extent lawful, in the sole discretion of the Board of Directors of the Association, a fine or fines may be imposed upon an Owner for failure of an Owner or that Owner's tenants, licensees, invitees and guests to comply with any covenant, restriction, rule or regulation, provided the following procedures are adhered to:

(a) Notice. The Association shall notify the Owner of the alleged infraction or infractions. Included in the notice shall be the date and time of a special meeting of the Board of Directors at which time the Owner shall present reasons why a fine(s) should not be imposed. At least six (6) days' notice of such meeting shall be given.

(b) Hearing. The alleged non-compliance shall be presented to the Board of Directors after which the Board of Directors shall hear reasons why a fine(s) should not be imposed. A written decision of the Board of Directors shall be submitted to the Owner by not later than twenty-one (21) days after the Board of Director's meeting. The Owner shall have a right to be represented by counsel and to cross examine witnesses.

(c) Amounts. The Board of Directors (if its or such panel's findings are made against the Owner) may impose special assessments against the Lot owned by the Owner as follows:

(i) For each violation, a fine not exceeding One Hundred Dollars (\$100.00).

(ii) For a violation or violations which are of a continuing nature after notice thereof (even if in the first instance), a fine not exceeding One Thousand Dollars (\$1,000.00).

(d) Payment and Collection of Fines. Fines shall be treated as an individual assessment subject to the provisions for the collection of individual assessments, and the lien securing same, as set forth elsewhere in this Declaration.

(e) Application of Proceeds. All moneys received from fines shall be allocated as directed by the Board of Directors.

(f) Non-exclusive Remedy. These fines shall not be construed to be exclusive, and shall exist in addition to all other rights and remedies to which the Association may be otherwise legally entitled; provided, however, any fines paid by the offending Owner shall be deducted

from or offset against any damages which the Association may otherwise be entitled to recover by law from such Owner.

(g) CPI. Unless limited by law, specific dollar amounts stated in this Section shall increase from time to time by application of a nationally recognized consumer price index chosen by the Board of Directors, using the date this Declaration is recorded as the base year. In the event no such consumer price index is available, the Board shall choose a reasonable alternative to compute such increases.

ARTICLE XVII

DAMAGE OR DESTRUCTION TO COMMON PROPERTY

Damage to or destruction of all or any portion of the Common Property shall be addressed in the following manner, notwithstanding any provision in this Declaration to the contrary:

Section 1. Sufficient Insurance Proceeds. In the event of damage to or destruction of the Common Property, if the insurance proceeds are sufficient to effect total restoration, then the Association shall cause such portions of the Common Property to be repaired and reconstructed substantially as it previously existed.

Section 2. Insufficient Insurance Proceeds. If the insurance proceeds are not sufficient to effect total restoration of the Common Property, then the Association shall cause such portions for the Common Property to be repaired and reconstructed substantially as they previously existed and the difference between the insurance proceeds and the actual cost shall be levied as a special assessment against each of the Owners in accordance with the provisions of Article VIII of this Declaration.

Section 3. Negligence or Willful Misconduct. Each Owner shall be liable to the Association for the cost to repair any damage to the Common Property not fully covered by collected insurance which may be sustained by reason of the negligence or willful misconduct of any Owner or that Owner's tenants, guests or invitees. In addition, the Association shall have the right to charge any Owner for the increase, if any, in the insurance premium attributable to damage caused by such Owner or that Owner's tenants, guests or invitees. The sums due from an Owner hereunder shall be an individual assessment against the Owner and that Owner's Lot and may be collected as provided elsewhere in this Declaration for the collection of individual assessments.

ARTICLE XVIII

Such persons shall be entitled, upon prior written request, (i) to receive a copy of the Association's financial statement for the immediately preceding fiscal year, (ii) to receive notices of and attend Association meetings, (iii) to receive notice from the Association of an alleged default by any Owner in the performance of such Owner's obligations under this Declaration, the Articles or Bylaws of the Association, which default is not cured within thirty (30) days after the Association learns of such default and to the extent that the mortgagee, insurer and/or guarantor

has an interest, by virtue of the mortgage, in the Lot owned by the defaulting Owner, and (iv) to receive notice of any substantial damage or loss to the Common Property.

Section 2. Adverse Events. Any holder, insurer or guarantor of a mortgage on a Lot shall have, if first requested in writing, the right to timely written notice of (i) any condemnation or casualty loss affecting a material portion of the Common Property, (ii) a sixty (60) day delinquency in the payment of the Assessments on a mortgaged Lot, and (iii) the occurrence of a lapse, cancellation or material modification of any insurance policy or fidelity bond maintained by the Association.

Section 3. Taxes and Other Charges. After thirty (30) days written notice to the Association, any holder, insurer or guarantor of a mortgage on a Lot shall have the right to pay, singly or jointly, taxes or other charges that are delinquent and have resulted or may result in a lien against or loss of the Association's title to any portion of the Common Property, and to receive prompt reimbursement from the Association.

Section 4. Insurance Premiums. After thirty (30) days written notice to the Association, any holder, insurer or guarantor of a mortgage on a Lot shall have the right to pay, singly or jointly, any overdue premiums on any hazard insurance policy covering the Common Property or obtain, singly or jointly, new hazard insurance coverage on the Common Property upon the lapse of a policy and, in either case, receive prompt reimbursement from the Association.

ARTICLE XIX

GENERAL PROVISIONS

Section 1. Notice. Any notice required to be sent to any Member or Owner under the provisions of this Declaration shall be deemed to have been properly sent when personally delivered or mailed, postpaid, to the last known address of the person who appears as Member or Owner on the records of the Association at the time of such mailing.

Section 2. Enforcement. Without limiting the generality of Article XVIII, enforcement of these covenants and restrictions shall be accomplished by any proceeding at law or in equity against any person or persons violating or attempting to violate any covenant or restriction, either to restrain violation or to recover damages, and against the Lots to enforce any lien created by these covenants; and failure to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Interpretation. The Article and Section headings have been inserted for convenience only, and shall not be considered or referred to in resolving questions and interpretation or construction. Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular, and the masculine, feminine and neuter genders shall each include the others.

Section 4. Severability. Invalidation of any one of these covenants or restrictions or any part, clause or word hereof, or the application thereof in specific circumstances, by judgment or court order shall not affect any other provisions or applications in other circumstances, all of which shall remain in full force and effect.

Section 5. Effective Date. This Declaration shall become effective upon its recordation in the Public Records of the County.

Section 6. Conflict. This Declaration shall take precedence over conflicting provisions in the Articles of Incorporation and By-Laws of the Association and said Articles shall take precedence over the By-Laws and any rules hereinafter promulgated.

Section 7. Cooperation. Each Owner, by acceptance of a deed therefore or other conveyance thereof, whether or not it shall be so expressed in such deed or other conveyance, shall be deemed to covenant and agree, to cooperate in, and support, any and all zoning, administrative, governmental and/or quasi-governmental filings, applications, requests, submissions and other actions necessary or desired for development and/or improvement of the Property, including, without limitation, signing any required applications, plats, etc. as the owner of any portion of the Property owned or controlled thereby when necessary or requested.

Section 8. Easements. Should the intended creation of any easement provided for in this Declaration fail by reason of the fact that at the time of creation there may be no grantee in being having the capacity to take and hold such easement, then any such grant of easement deemed not to have been so created shall nevertheless be considered as having been granted directly to the Association as agent for such intended grantees for the purpose of allowing the original party or parties to whom the easements were originally intended to have been granted the benefit of such easement and the Owners hereby designate the Declarant and the Association (or either of them) as their lawful attorney-in-fact to execute any instrument on such Owners' behalf as may hereafter be required or deemed necessary for the purpose of later creating such easement as it was intended to have been created herein. All parties using easements granted in this Declaration shall use reasonable efforts to minimize interference with all other permitted uses of the easements and the property subject thereto and shall restore any damage to such property caused in the exercise of any rights granted in any such easement.

Section 9. No Public Right or Dedication. Nothing contained in this Declaration shall be deemed to be a gift or dedication of all or any part of the Common Property to the public, or for any public use.

Section 10. Constructive Notice and Acceptance. Every person who owns, occupies or acquires any right, title, estate or interest in or to any Lot, shall be conclusively deemed to have consented and agreed to every limitation, restriction, easement, reservation, condition, lien and covenant contained herein, whether or not any reference hereto is contained in the instrument by which such person acquired an interest in such Lot.

Section 11. Execution of Documents Required by Local Government. The Declarant's plan for the development of Villages of Valencia may require from time to time the execution of certain documents required by St. Johns County, Florida. To the extent that said documents require the joinder of any or all Owners in Villages of Valencia, each of said Owners, by virtue of his acceptance of a deed to his Lot, does irrevocably give and grant to the Declarant, or any of its officers individually, full power of attorney to execute said documents as his agent and in his place and stead.

ARTICLE XX

Each Owner (by virtue of its, his or her acceptance of title to its, his or her Lot) and each other person having an interest in or lien upon, or making any use of, any portion of the Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this Article XIX and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association or Declarant and arising from or connected with any matter for which the liability of the Association or Declarant has been disclaimed in this Article or in this Declaration generally.
